

Guidance and Counseling Committee

①

Introduction :-

This Guidance and Counseling committee will help student Teachers understand the importance of guidance and counseling in education discipline. The basic purpose of a Guidance and Counselling programmed is to ensure the physical, emotional, social and educational development of learners. The college has established a special committee for guidance and counselling of the teachers trainee. The committee provides guidance to the students of the college to improve their overall personality and help them to meet challenges in their life.

The Guidance and Counselling Committee is looked after by a teaching faculty. Apart from the main incharge the other faculty members take up specific roles in the activities conducted.

Objectives of Committee :-

1. To develop positive attitudes in the learners towards study and work.
2. To help in the total development of the students.
3. To identify and motivate the students from weaker society.

②

4). To help the students know himself better his interest, abilities aptitudes and opportunities.

5). To take best decision with the help of experts.

6). To help students in developing good habits.
