IQAC

IQAC stands for Internal Quality Assurance Cell. It's a mandatory body established in educational institutions in India primarily to ensure and enhance the quality of education.

IQAC - Vision

To ensure quality culture as the prime concern for the Higher Education Institutions through institutionalizing and internalizing all the initiatives taken with internal and external support.

Objectives

The primary aim of IQAC is

To develop a system for conscious, consistent and

catalytic action to improve the academic and administrative performance of the institution.

To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

Mechanisms of IQAC

Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks; Relevant and quality academic/research programmes; Equitable access to and affordability of academic programmes for various sections of society; Optimization and integration of modern methods of teaching and learning; The credibility of assessment and evaluation process; Ensuring the adequacy, maintenance and proper allocation of

support structure and services;
Sharing of research findings
and networking with
other institution in India.

Functions of IQAC

Development and application of quality benchmark Parameters for various academic and administrative activities of the institution; Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process. Collection and analysis of feedback from all stakeholders on quality-related institutional processes; Dissemination of information on various quality parameters to all stakeholders; Organization of inter and intra institutional workshops seminars on quality related themes and promotion of quality circles; Documentation of the various programmes/activities leading to quality improvement.
