

DR. S. RADHAKRISHNAN
COLLEGE OF EDUCATION

PLACEMENT
CELL

Placement Cell

The placement cell plays a crucial role in locating job opportunities for B.Ed. students passing out from the college by keeping in touch with reputed schools and institutions. The placement cell operates round the year to facilitate contact between students and schools. The number of students placed through the campus interviews in various school and institutions.

Objectives of Placement Cell :-

- o To place the students according to their area of interest in schools/institutions.
- o To guide the students in the development of soft skills through pre-placement activity.
- o To bridge the gap between college and schools.
- o To increase the awareness amongst current students about placement opportunities in schools and various skill-sets required.
- o To determine opportunities for UG and PG students in various institution/ organizations.
